This QCDS sponsored program brings together all the new dental residents and new dentists in Queens and is an extension of the program conducted in 2017. In 2017 over 80 dentists were in attendance. A full write up of last year's program is available on the QCDS web site, www.qcde.org and by viewing the July/August 2018 issue of our Bulletin.

This event presents a unique opportunity for sponsors to market their products to dentists who have yet to set up business relationships with your competitors. Successful marketing at this event could lead to a lifetime customer.

There are only 4 lecture spots available for presentations on practice management to the attending residents and new dentists.

We are asking all sponsors to donate a raffle item to the event to be given out as casino winning items. The sponsors will present their donated item to the winner before the entire audience.

There are only 6 spots open for exhibitors, therefore we suggest you reserve your space as soon as possible. Payment can be made by check mailed to QCDS at 86-90 188th Street, Jamaica N.Y. 11423 or by calling 718-454-8344 with a credit card.

Questions can be directed to QCDS Executive Director Oleg Rabinovich at 718-454-8344
